

Colleagues,

In the spring of 2010, the Faculty Association and the District will begin the process of negotiations to establish a new contract.

Early in the spring semester, the Faculty Association will conduct an on-line formal survey to determine the priorities of the faculty regarding new and continued provisions in the new contract. In preparation for that survey, the Association requests a less formal "wish list" from faculty members regarding benefits and provisions that they would like to see added or changed in the next contract.

If you have any concerns which you would like to see addressed in the next contract, please email Lewis Long at llong@jvc.edu to respond with your concerns.

Thanks for your participation in this very important process.

Lewis
